

Residential HVAC Installer

<https://beardelectric.net>

Beard Electric LLC is growing! We are currently accepting applications for a residential HVAC installer to work in the Cortland/Central NY area. This is an excellent opportunity to join a 2-person team, primarily performing residential installations of ductless heat pump systems and back-up generators.

Our ideal candidate will have a combination of HVAC training and some field experience, tools of the trade, and EPA Certification - but no experience is required.

* Additional background/experience with basic residential electrical systems is a plus.

We offer competitive wages, a great work environment, and steady employment where your skills will be appreciated. So, if you are dependable, take pride in the quality of your work and can offer outstanding customer service, come grow with us!

Job Type:

- Part-time – approx. 30 hrs/wk to start, growing to Full-time

Pay:

- \$17.00 - \$20.00 per hour starting, depending on experience

Schedule:

- Monday – Friday, with occasional Saturday mornings

Education:

- High school or equivalent (Preferred)

Experience:

- HVAC: 1 year; refrigerant handling/EPA certified (Preferred)

License/Certification:

- Driver's License (Required)

Work Location:

- Cortland/Central NY

To apply:

- please send your resume' to: beardelectric@outlook.com – Subject line: HVAC Installer
